

Born with the Special Technical Skill of JEIL PHARM.

NISL Wrinkle Derma Film

#Skin Layer #Second Skin #Skin Cure Film

Brand

NISL
Less for Better

Less for better

NISL is a Natural Derma Cosmetic Brand of Jeil Pharm. NISL uses only essential ingredients needed by skin in moderation, instead of pursuing instant feeling of using excessive ingredients.

It helps normalize the balance of damaged skin barrier with ingredients that skin can accept comfortably.

New Era was born to cover by layers on the elasticity lost skin

※ Weak materials must be protected. Thus, layers are exists!

To protect Eyeball
[Cornea]

To Protect egg
[Egg Membrane]

To Protect Fetus
[Amnion]

But when people get older, the skin has

No Layer to protect the skin

New Paradigm applied

'Layer' cared by covering 24 hours!

No Water, 100% Cosmetic ingredients layer!

✓ New type film Patch came into the world!

Previous Masks

1. Pure Cotton : Cotton+Essence

2. Gel Type : Gel+Essence

3. Rubber Type : Rubber+Essence

No!

No more Masks with sheets!

100% Essence Sheet!
